The University of Alberta Dermatology Program congratulates its graduates, Dr. Tiffany Kwok, Dr. Joshua Mercer and Dr. Olivia Potok, for successfully completing their Royal College Examinations! They are all enjoying a well-deserved vacation before embarking on their professional careers. Dr. Kwok will start her practice in Edmonton, Dr. Mercer is headed to Cornerbrook in Newfoundland and Labrador and Dr. Potok will start her practice in Regina. We are sad to see them go, but we will look forward to keeping in touch.

We are pleased to welcome Dr. AnneLiese Smylie and Dr. Meagan MacGillvery to our program. On a sad note, Dr. Andrew Lin, one of the staff dermatologists at the University of Alberta, passed away on June 6. He was an excellent teacher and mentor and had a great sense of humour. His life was celebrated at a touching memorial service attended by students, residents, staff, family and friends. U of A residents are creating a resident teaching award to honour Dr. Lin, which will be open to all departments in the Faculty of Medicine.
