10th Annual Canadian Melanoma Conference

Now in its 10th year, the Canadian Melanoma Conference is Canada’s flagship meeting on the research and treatment of melanoma. This meeting brings together medical oncologists, surgeons, dermatologists, radiotherapists, pathologists, molecular biologists, immunologists and industry partners to review the latest research and explore new therapies.

SPECIAL OFFER FOR CDA MEMBERS!
Register for the full 10th Annual Melanoma Conference and SAVE 20%
Use code CDA20 when registering
Early Bird pricing ends January 22, 2016
