## Re: Letter of Support for Dr. Amin Bahubeshi

I am pleased to write in support of Dr. Amin Bahubeshi for the position of **Treasurer-Elect**. He exemplifies the attributes we need to guide the CDA – **dedication, professionalism, hard-working and collaborative**.

I had the privilege of working directly alongside Dr. Bahubeshi at the Ottawa Hospital from 2015 to 2020, and over those years I came to know him as a highly respected colleague whose professionalism, integrity, and thoughtful approach consistently stood out. My experiences working with him have given me a clear appreciation of the qualities he would bring to the role of Treasurer-Elect.

During those years, I saw firsthand the way he approaches his work and interacts with others. He is someone who considers issues carefully and brings a balanced, practical perspective to discussions and decision making. He is well respected by his colleagues and is known for his reliability and steady approach.

He also works well in collaborative environments, listening to different viewpoints and contributing in a constructive and measured way. In discussions that require balanced judgement and attention to detail, he is someone colleagues naturally look to for guidance and perspective.

For these reasons, I **strongly support his nomination for the role of Treasurer-Elect**. I am confident he would bring professionalism, sound judgement, and a strong sense of responsibility to the position.

Sincerely,

Mark Kirchhof, MD, PhD, FRCPC, FAAD  
Head of the Division of Dermatology, The Ottawa Hospital
